NGI ATLANTIC.EU

Bridging EU-US — research on **NEXT GENERATION INTERNET**

[@NGIatlantic](https://twitter.com/NGIatlantic) [in NGIatlantic](https://www.linkedin.com/company/ngiatlantic) www.ngiatlantic.eu

MAIN OPPORTUNITIES

• EU-US NGI EXPERIMENTS • OPEN CALLS • TWINNING LAB

 NGIatlantic.eu has received funding from the European Union's Horizon 2020 research and innovation programme under the Grant Agreement No. 871582

NGIatlantic.eu
SUPPORTS
THE EUROPEAN
GREEN DEAL

PRINTED ON
RECYCLED
PAPER

NGIatlantic.eu is a collaborative funding platform for Next Generation Internet-related experiments. From **April 2020**, EU and US researchers can apply together to one of the **5 open calls** to carry-out their experiments.

APPLY WITH YOUR TEAM

Prepare and submit your project addressing the call's priorities

WEBINARS & WORKSHOP

Content-rich sessions to learn the full background and criteria of our open calls

CONTINUOUS COACHING AND MENTORING

From pre-proposal to exploitation to maximise your project's success

INTERESTED IN BECOMING — ONE OF OUR EXTERNAL INDEPENDENT EVALUATORS?

NGIatlantic.eu aims to set up an **External Pool of Evaluators (EPE) of 50+ international members to support the review process of the proposals received from the Open Calls.** The EPE gathers a set of recognised experts in NGI technical domains. The experts are selected through an open call process, in order to ensure transparent and consistent evaluation.

APPLY TO JOIN OUR EXTERNAL POOL OF EVALUATORS (EPE)

TWINNING LAB

In this space, researchers, innovators and start-ups can discover and connect with transatlantic actors and establish complementary partnerships in addressing NGI challenges across relevant topics:

Are you a recognised expert in NGI technical domains?
OPEN CALL FOR EVALUATORS

WHY THE WHALE? All our calls are branded to raise awareness about environment protection. For more information visit: ngiatlantic.eu/about-our-themes

5 OPEN CALLS FROM APRIL 2020 TO NOVEMBER 2021
